## **STARS OF THE WEEK:**

3<sup>rd</sup> May 2024

**Bees.** Jai: Jai has had a fabulous week this week, he has been trying so hard with his phonics and has written some words independently! He has also been working really hard in our guided reading sessions and is now blending in his head for some words. Well done Jai – we are super proud of you.

**Butterflies.** Gabriella: Since Gabriella started in Butterflies, she has been amazing. She focusses on all her sessions and is trying so hard to follow our rules, learn her phonics and is a fantastic role model. Well done Gabriella you are a superstar.

**Squirrels.** Arlo: Over the last few weeks, Arlo has been impressing all of us with the care he has been taking over the presentation of his learning. He is making sure his work is neat and has been working really hard on the size of his different letters. He has even been reading back his sentences and finding missed words all by himself. A great editing skill that we find really tricky in Year 1. Well done, Arlo. Keep showing us your best.

**Frogs:** Naqib: For an excellent week in Frogs class. Naqib has been giving maximum effort all week and we are all super proud of him. As well as this he has been super resilient whilst we have been at forest school. Well done Naqib on a fantastic week!

**Mice.** Niamh: Niamh has been superstar in phonics this week. She has set a great example with her spelling, showing a good knowledge of silent letter words. Well done Niamh.

**Hedgehogs.** Reuben: Reuben has been trying really hard with his writing this week and has had some amazing ideas to share with the class about changing our story. Well done Reuben!

**Moles.** Nasr: Nasr has been a superstar this week! He is always trying his best in every lesson but throughout the week he has been really showing off his amazing reasoning and problem-solving skills in Maths lessons. Well done, Nasr!

**Rabbits.** Kainat: Kainat shows perseverance daily and continues to impress me with her learning and efforts. She joins in with her peers and has shone out with her reading skills. Keep it up Kainat!

"Together, we will make a difference."

**Badgers.** Ella C-H: Ella is showing real maturity and focus with her work: both in English and Maths. Her times tables heat map shows she's in the green for everything on TTRS, and her English work is presented to a very high level. She is really starting to flourish - well done Ella.

**Foxes.** Daniel: He has a superb approach to all his work, he is thoughtful, reflective and hard working. He has been doing particularly well in his Maths and with writing a fantastic dragon poem in English. Well done!

**Kingfishers.** Ben: Ben's attitude towards all aspects of his learning has been exemplary over the last few weeks. He's listened well and applied learning effectively. Well done Ben!

**Owls.** Mia: Mia for consistently outstanding effort in every lesson. Always willing to contribute and offer ideas.

**Kestrels.** Austin: Austin always gives 100% in everything he does and with such enthusiasm. This week in English, he has written some fantastic sentences that has showcased the toolkits we have been learning for our focus of writing a 'finding tale' story.

**Sparrow Hawks.** Oliver: Oliver has been working so hard in all areas of the curriculum. His imaginative, creative work shines through in all he does, and I have been particularly impressed with her work in our new topic which is about the 'Ancient Maya civilisation'. Well done Oliver - keep up the great work!
